Verve Suites KL South
Jalan Kelang Lama, Kuala Lumpur

On levels 2 and 3A of Verve Suites KL South are two green lungs for residents who seek respite. Designed by landscape architect Nik Malik Nik Zainal Abidin and his award-winning team from MLA Landscape Architects, the Pool Deck at Level 2 and Recreational Deck at Level 3A boast lush greenery. Featuring several facilities, including a reflexology path, hot spa pool and steam room, the Pool Deck is over 399sq m of soothing ambience for residents to unwind. The Recreational Deck, at 185.8sq m, features a basketball court, garden canopy, reading pods, barbecue deck, play area, and a herb garden. Both gardens are home to various types of plants, flowers and herbs.
